Fuel Effect: Logs	Size / Type: Medium	
Efficiency: up to 82 %	Colour: Laurel	
Heat Input: 6.15 kw	Heat Output: 5.07 kw	

Product Specific Information

This product can be upgraded to remote control using either Standard or Programmable Thermostatic Timer Remote: see Accessory list below. The Ashdon has a choice of top or rear flue exit.

This product can only be used with Gazco Balanced Flue Pipe which is available separately. Refer to Gazco Balanced Flue Technical Information sheet for available flue configurations, which can be downloaded on www.gazco.com.

Please note: Due to the possible high temperature of the convected air above Gazco gas fires and stoves we recommend that Plasma TVs, valuable mirrors, photographs, paintings, porcelain, or other valuable items are not placed on the wall immediately above the appliance. Such artifacts may be damaged by long term exposure to fluctuating temperatures. The use of a mantelpiece may reduce the possibility of damage but Gazco does not accept any responsibility for damage in this instance.

Site Requirements

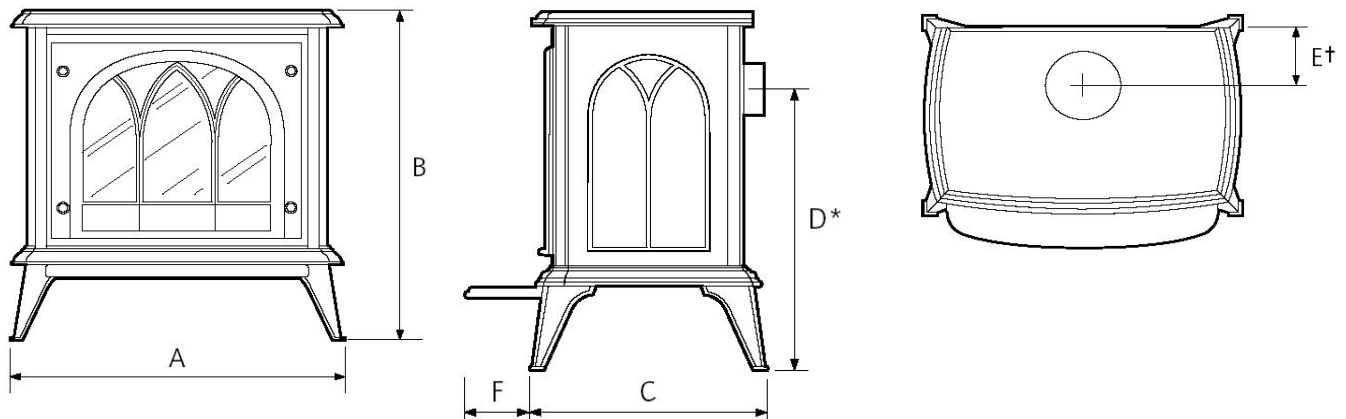

For specific information regarding full site requirements please refer to the installation instructions.

Recommended clearances between stove and other surfaces Top 9"(225mm), Sides 6"(150mm), Rear must be a minimum of 2"(50mm). This appliance must stand on a non combustible hearth that is at least 12mm thick and a minimum of 2"(50mm) all around the stove.

Servicing

Gazco recommends that this appliance is serviced every 12 months by your dealer or a registered CORGI engineer
