

Regency

Product Code:	8070	Fuel Type:	Natural Gas	Flue Types:	Brick Chimney
Fuel Effect:	Coals	Size / Type:	Medium		Flexiliner
Efficiency:	up to 25 %	Colour:	Matt Black		Prefabricated
Heat Input:	12.3 kw	Heat Output:	3.05 kw		

Product Specific Information

All Gas Regency Stoves should be installed into a Class 1 chimney.

Gazco recommends the use of Stovax 8" matt black enamelled stove pipe with the Regency stove (or 7" using a reducing adaptor). If using a flexiliner it must be a minimum of 7"(175mm) diameter.

Please note: Due to the possible high temperature of the convected air above Gazco gas fires and stoves we recommend that Plasma TVs, valuable mirrors, photographs, paintings, porcelain, or other valuable items are not placed on the wall immediately above the appliance. Such artifacts may be damaged by long term exposure to fluctuating temperatures. The use of a mantelpiece may reduce the possibility of damage but Gazco does not accept any responsibility for damage in this instance.

Site Requirements

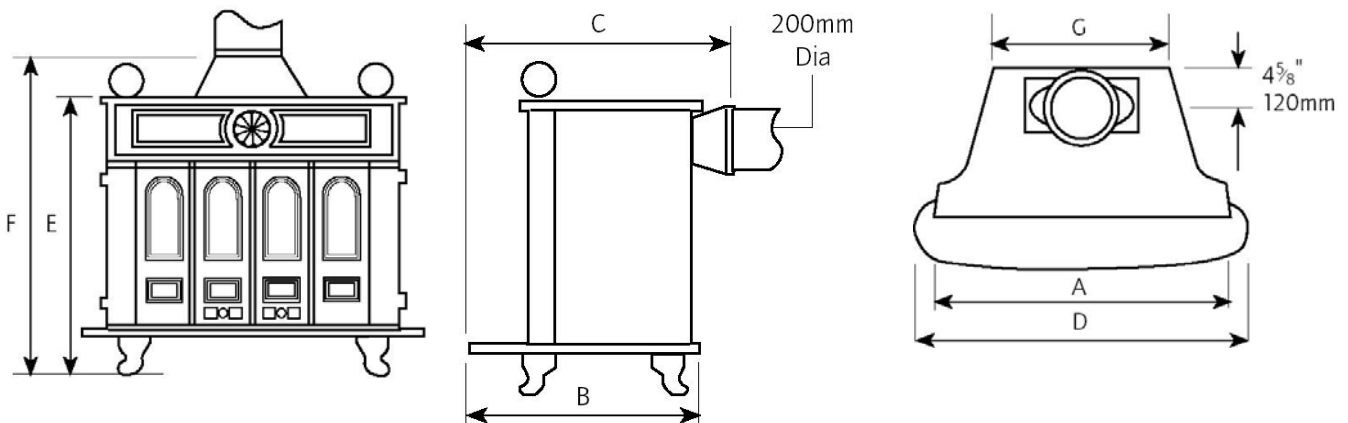

For specific information regarding full site requirements please refer to the installation instructions.

Standard hearth requirements apply for open fires. Recommended clearances between stove and other surfaces. Top 10"(250mm) Sides 6"(150mm) Rear 2"(50mm)

Servicing

Gazco recommends that this appliance is serviced every 12 months by your dealer or a registered CORGI engineer
